

LET'S BEGIN

Sometimes the best way to begin is by thinking about what we want at the end. As you begin planning, answer these questions:

Our group meets real and significant needs for moms in our community by ...

What new thing could we do this year to better celebrate and support the moms in our group?

Our group cultivates an environment where women are drawn towards the goodness of God by ...

What new thing could you do this year to be a more powerful expression of grace, encouragement and acceptance?

Our group shows up outside our meeting space by ...

What new thing can we do this year to show up in greater ways in our church? In our community?

"So, moms, I would ask you, why not you? Why not now? Why not in this very space you're gathering at this very moment? Moms save everything else - why wouldn't God use them to save the world?" - Pastor Jamie Wamsley

I want this group to be a place where ...

I want moms to feel ...

When women walk out the door, I want them to remember ...

I believe the purpose of our MOPS group is to ...

I want our group to be known for ...

“Holy Spirit, rise. Rise in this group of moms. Give them your eyes, give them your mind, and fill them with your love and compassion. May your goodness, joy, fun and delight bless the lives of all those they care for. Through them, Lord, may your Kingdom come on earth as it is in Heaven. In Jesus’ name we pray. Amen and Amen and Amen.”
